To the public,

It has come to the attention of the board of Commissioners of the Sylvan Beach Fire District that our special meeting called for tonight 3/13/26 at 6:30pm has created a large amount of concern in the community. We want to assure the community this meeting has been requested by the board as a special meeting to deal with a personnel issue that does not affect the welfare of the community and is not an emergency in nature. We deeply apologize for any concern this may have caused the residents of the Sylvan Beach Fire District and the community in general.

Thank you,

The Sylvan Beach Board of Fire Commissioners
