Chiefs/Officers and Public Comment:

-Kevin-Vander Molen came to work on ladder Truck: Cord fried for auto eject. The inverter stopped working. They still need to check bolts from inspection. The crack in the bucket step still needs to be looked at. Front discharge is rubbing so the tech took a picture. The heat is back working.

-Colin- two SCBAs masks failed when Jerome's came for annual inspection. The masks were red tagged and put in the district office. One was Colin's mask and the second was spare so they do not need to be fixed right away.

Adjournment: Motion made by Daune Bloss, seconded by Tom Agans to adjourn the meeting at 8:12pm. AIF, motion carried.
